Portable Cabins

Welcome to Spacemaker, we are a **direct manufacturers** of modular buildings and portable cabins in the UK, we offer two main finishes on our cabins:

Plastisol: Which is a plastic coated steel bonded to 9mm plywood available in a wide range of colours to match your company colours or the aesthetic you have in mind

Thermowood, Larch or Cedar wood finishes: These natural wood panel lengths can be cladded horizontal or vertical on our cabins and give a really effective rustic feel that is also hard wearing and eco friendly.

Options Available

- Choice of White, Black, Brown UPVC doors and windows.
- Internal fit outs, drying rooms, canteens, washrooms, DDA classrooms, offices, marketing suites and more!
- Steel Kirncroft doors in a choice of colours to match the unit, can be fitted with door closers, vision panels, digital locks & panic bars.
